**Drone Alliance Europe to Co-host Parliamentary  
Conference on Future of European Drone Market  
Announces EU Commissioner for Transport Violeta Bulc as Keynote Speaker**

**BRUSSELS – 22 May 2018** – Drone Alliance Europe (DAE) is pleased to announce that it has partnered with MEP Gesine Meissner to co-host a Parliamentary conference during which senior EU policymakers and regulators will share their perspectives on the development of the European drone industry. *The Future European Drone Market and the Next Mid-Financial Framework (MFF): How to Open Up the Market?* will take place on 28 June 2018 from 9.00h-12.00h at the European Parliament.

DAE is also pleased to announce that EU Commissioner for Transport Violeta Bulc will deliver the conference keynote address. MEP Marian-Jean Marinescu, the Parliament's rapporteur for the EASA Basic Regulation on Civil Aviation, and DAE Executive Director Christoph Raab will also participate in the discussion.

"Drone Alliance Europe thanks MEP Meissner, Commissioner Bulc, and MEP Marinescu for their commitment to this conference and enthusiasm for this important topic. We look forward to announcing additional speakers for a policy discussion on decisive issues for the European Drone Market," Raab said.

A full list of speakers and detailed conference agenda will be released in the coming weeks.
