Drone Alliance Europe Welcomes New Supporter Member Avy

Focus on Sustainable Aviation and Life-Saving Drone Missions Complements Alliance's Vision and Advocacy

BRUSSELS – 7 August 2020 – [Drone Alliance Europe](#) (DAE) is pleased to announce that [Avy](#) has joined the Alliance as a Supporter Member. Based in the Netherlands, Avy is a pioneer in innovative aircraft technology focused on a transition towards sustainable aviation with a focus on life-saving missions and applications. Its operations center on applications ranging from urban healthcare logistics to rural last mile delivery, first response, and nature conservation.

"Drone Alliance Europe is thrilled to welcome Avy to the Alliance. Avy's vision for the future of aviation, and in particular its focus on the life-saving capabilities of drones, complements the Alliance's vision for ubiquitous unmanned operations across Europe that will deliver innumerable consumer, economic, and environmental benefits," said DAE Executive Director Christoph Raab.

Patrique Zaman, CEO of Avy, said: "We believe in a future where sustainable drones are as common as electric cars are nowadays. For urgent life-saving applications, or zero emission transport, drones can have a great positive impact. Together with the Drone Alliance we can accelerate our mission to reach this goal."
